**How We Will Calculate Your Balance:** We use a method called "average daily balance (including new purchases)".

**Federal Reserve Discount Rate:**

We add 8% to the Federal Reserve Discount Rate to determine the Purchase/Cash Advance APR with a floor of 10%.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights are provided in your account agreement.

**Notice to Ohio Residents:** The Ohio laws against discrimination require that all creditors make credit equally available to all credit worthy customers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with the law.

**IMPORTANT INFORMATION ABOUT OPENING A NEW ACCOUNT**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address (P.O. Boxes are not allowed under Federal law), date of birth and other information (including your Social Security or Tax Payer Identification Number) that allows us to identify you.

We may ask to see your driver's license or other identifying documents when appropriate.

**Military Lending Act Disclosure**

Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account)
